

Physics 201 - Section 3

Introduction to Electricity and Magnetism Fall Semester 2002

Room: Seaver Hall 111
Time: MWF 11:00 - 11:50 AM

Instructor: Dr. Gabriele Varieschi
Office: Seaver Hall - 110
Phone: (310) 338-7632
E-mail: gvariesc@lmu.edu
Office hours: TBA

WEB-PAGE: <http://myweb.lmu.edu/gvarieschi/>

Text: Sanny & Moebs - University Physics - WCB
Chapters: From Chapter 22 to Chapter 32.

Tests: There will be four tests during the semester. Your lower test grade will be dropped, so **only your three best tests are counted toward the final grade.** There will be **no make-up tests** given; if you miss any one of the four tests, that will automatically be your dropped test. The tests are closed-books, but you may bring in a sheet of equations.

Test Dates: **W 9/18; F 10/11; M 11/4; M 11/25 (tentative dates).**

Final Exam: **Monday, December 9, 11:00 AM, Seaver 111.**
The final exam is cumulative and is equivalent to 2 tests.

Homework: Weekly homework assignment will be given, usually on Monday. Problem sets will be collected and will be graded. Solutions will be posted.

Laboratory: The laboratory is an integral part of this course. The experiments will complement the topics of the lectures. The laboratory will count for 15% of your final grade. **Missing 2 or more lab sessions will result in a failing grade for the course.** See lab schedule for detailed information.

Grading:

Laboratory	15 %
Homework	5 %
Test 1	16 %
Test 2	16 %
Test 3	16 %
Final Exam	32 %

Test Grading (approx.): <50%=F; 50-54%=D; 55-69%=C range; 70-84=B range; >84=A range.

Have a good semester. Good luck !
